# SAFETY NOTES

## **Danger for children**

Ensure that plastic bags, packaging, etc. are properly disposed of and are not in the reach of babies and young children. Choking hazard!  
Ensure that children do not detach any small parts (e.g. knobs or the like) from the product. They could swallow the pieces and choke!  
Never let children play unattended with the product.

## **Danger of tipping when transported under load**

If the stand is moved without having removed the installed device/tube. The stand may tip over and cause injuries and property damage  
Remove the installed device/tube before transporting the stand.

## **Danger of tipping on unsuitable surfaces**

When the stand is installed on soft or uneven ground, The stand with the mute tube may tip over and cause injuries and property damage  
Install the stand only on even and solid surfaces.

## **Possible staining**

The plasticizer contained in the rubber feet of this product may possibly react with the coating your parquet, linoleum, laminate or PVC floor and after some time cause permanent dark stains.  
In case of doubt, do not put the rubber feet directly on the floor, but use felt-pad floor protectors or a carpet.
